17 This Report and Recommendation is submitted to United States
18 District Judge John A. Houston pursuant to 28 U.S.C. § 636(b) and
19 Local Civil Rules 72.1(d) and HC.2 of the United States District
20 Court for the Southern District of California.

21 **DISCUSSION**

22 On April 1, 2008, Petitioner Darrow Haygood, a state prisoner
23 appearing *pro se* and *in forma pauperis*, filed the First Amended
24 Petition for Writ of Habeas Corpus ("FAP") currently before the
25 Court. Doc. No. 4. In its April 10, 2008 Notice Regarding Possible
26 Dismissal of Petition for Failure to Exhaust State Court Remedies
27 ("Options Order"), this Court informed Petitioner that he had failed
28 to allege exhaustion as to claims 1, 2, 4 and 6 of the FAP. Doc.

1 No. 7. In the same order, this Court informed Petitioner of four
2 options he might elect to pursue in order to cure his failure to
3 satisfy the exhaustion requirement. Id. Petitioner was directed to
4 elect one of the options and file the appropriate briefing on or
5 before May 13, 2008. Id. The Court warned Petitioner that failure
6 to respond to the Court's Options Order would result in this Court
7 recommending to the District Judge that the Petition be dismissed
8 without prejudice. Id. at 4.

9 Petitioner has not responded in any manner to this Court's
10 Options Order. As this Court explained to Petitioner in its Options
11 Order, exhaustion is required by 28 U.S.C. § 2254(b), which states:

12 (b)(1) An application for a writ of habeas corpus on
13 behalf of a person in custody pursuant to the judgment
14 of a State court shall not be granted unless it
15 appears that--

16 (A) **the applicant has exhausted the remedies**
17 **available in the courts of the State;** or

18 (B)(i) there is an absence of available State
19 corrective process; or (ii) circumstances exist that
20 render such process ineffective to protect the rights
21 of the applicant.

22 28 U.S.C. § 2254(b) (emphasis added). The Supreme Court has
23 construed this to be a "total exhaustion rule" and, therefore, held
24 that "a district court must dismiss habeas petitions containing both
25 unexhausted and exhausted claims." Rose v. Lundy, 455 U.S. 509, 522
26 (1982); Rhines v. Weber, 544 U.S. 269, 276-77 (2005) (confirming
27 continued applicability of "total exhaustion rule" even after AEDPA
28 imposed one-year statute of limitations on habeas claims). Because
the FAP contains both unexhausted and exhausted claims and because
Petitioner has failed to pursue any available option for remedying
his mixed FAP, this Court **RECOMMENDS** that the FAP be **DISMISSED**

1 WITHOUT PREJUDICE¹.

2 CONCLUSION AND RECOMMENDATION

3 For the foregoing reasons, **IT IS HEREBY RECOMMENDED** that the
4 Court issue an Order: (1) approving and adopting this Report and
5 Recommendation; and dismissing this action in its entirety without
6 prejudice.

7 **IT IS ORDERED** that no later than June 13, 2008, any party to
8 this action may file written objections with the Court and serve a
9 copy on all parties. The document should be captioned "Objections
10 to Report and Recommendation."

11 **IT IS FURTHER ORDERED** that any reply to the objections shall
12 be filed with the Court and served on all parties no later than July
13 3, 2008. The parties are advised that failure to file objections
14 within the specified time may waive the right to raise those
15 objections on appeal of the Court's order. See Turner v. Duncan,
16 158 F.3d 449, 455 (9th Cir. 1998).

17 DATED: May 22, 2008

18 

19 BARBARA L. MAJOR
20 United States Magistrate Judge
21

22 COPY TO:

23 HONORABLE JOHN A. HOUSTON
24 UNITED STATES DISTRICT JUDGE

25 ALL COUNSEL AND PARTIES
26

27 ¹ As this Court warned Petitioner in the Options Order, although the
28 Court recommends dismissal without prejudice, Petitioner is cautioned that any
later federal petition may be barred by the statute of limitations. See 28
U.S.C. § 2244(d)(1)-(2) (imposing a one-year period of limitation to applications
for writ of habeas corpus).
